

**NATAS ANNOUNCES NOMINATIONS FOR
FIRST ANNUAL CHILDREN'S & FAMILY EMMYS
AS OF NOVEMBER 8, 2022**

The National Academy of Television Arts and Sciences (NATAS) today announced the nominations for the first annual Children's & Family Emmy® Awards, which will be presented on Saturday, December 10 (Creative Arts) and Sunday, December 11 at the Wilshire Ebell Theater in Los Angeles. The Children's & Family awards are the first standalone expansion of the Emmy Award competition since 1979, and mark the successful culmination of the first full year of the [realignment between NATAS and the Television Academy](#).

Children's & Family content represents the fastest-growing genre that NATAS awards, with a 23% increase in related programming the past two years. With more than 3,000 submissions, the competition is now the largest that NATAS oversees.

"Putting a spotlight on children's & family programming after years of unparalleled growth in content quality and quantity in this space is an exciting moment for the television industry," said Adam Sharp, President and CEO, NATAS. "These programs entertain, inform and educate family members of all ages, and NATAS is proud to mark this milestone event and give these creators the stage they deserve."

Information on categories to be presented at Saturday's Children's & Family Creative Arts ceremony and Sunday's Children's & Family ceremony can be found at <http://theemmys.tv/cafe/ceremony-2022>.

INSTRUCTIONS FOR CREDIT CHANGES

Below is the complete list of nominees with eligible names. These individuals are considered to be officially Emmy nominees and are eligible to become Emmy winners if the entry wins.

We are now officially in the ten-day window for gratis credit changes. After that, charges are \$150 per through January 11, 2023 (30 days after the ceremony). No changes are allowed beyond 30 days after the ceremony for any reason. At that point our archives are considered complete.

Please look at the list and note: spelling, punctuation, title, program name, network name, and that everyone who is eligible is listed. This list feeds into our print program, our nominee archive, and our statue engraving portal should the entry win.

To submit entries: email Brent Stanton at bstanton@theemmys.tv with your nomination category and program in the subject line. For credit additions, we must receive confirmation from an Executive Producer on the project. All changes will receive a confirmation of receipt and whether they have been accepted. This press release gets updated twice a week, with the most recent date in the title of the release.

Once again, the cut off for gratis changes is November 18. From November 19 through January 11, it's \$150 per change. After January 12, no changes are accepted. Changes include spelling, punctuation, title, program name, network name, additions.

About NATAS

The National Academy of Television Arts & Sciences (NATAS) is a service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational, and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy Awards for News & Documentary, Sports, Daytime, and Children's & Family programming, as well as achievements in television Technology & Engineering.

NATAS membership consists of more than 18,000 broadcast and media professionals represented in 19 regional chapters across the country. Beyond awards, NATAS has extensive educational programs including regional student television and its Student Award for Excellence and the National Student Production Awards for outstanding journalistic work by high school students, as well as scholarships, publications, and major activities for both industry professionals and the viewing public.
